

The Night Before School- Kindergarten Edition

Twass the night before school in a year like no other,
We know you're excited and nervous-OH BROTHER!

The first day you might not know how it will be,
You might have some worries about what you will see.
There will be lots of people to help and to love,
You'll have so much fun and new things to think of,

Your teachers will love you and take care of you,
You'll have many friends, and you'll know what to do.
At school we're a family, we are all friends,
The grown-ups and kids and we love with no end.

You're growing to be such a smart, brave big kid,
When you go home you'll tell mom and dad stuff you did.
Your parents will be fine, they'll know what to do,
They'll miss you but know that you'll see them so soon.

No rest your sweet head and sleep tight in your bed,
Tomorrow is when things will start like we said.
Sweet dreams little friend, we'll see you tomorrow,
And if you need love I have lots you can borrow.

See you soon!

Love,

Mrs. Eisenreich (Mrs. E)
