Extra Help

I am available until 3:00 most days and would be happy to help with homework, to review for upcoming tests, or to reinforce a specific topic that might be causing you some difficulty. Please let me know ahead of time and set up an "appointment" with me before staying. Some days I will have previous commitments and will not be available. I will make every effort to find a day and time that works for everyone.

I can also provide you with a pass to come to my room during study hall or lunch to receive help. Please be aware that I may be teaching another class and therefore the amount of time that I can dedicate to your needs may be less than you would receive after school.

I am not a mind reader! If you need help, PLEASE ASK!

Make Up Work

YOU are responsible for all work missed during your absence. Please ask upon your return for work you have missed. If you need to make up a test, it should be done after school, during a study hall or lunch, and not during class as you would miss more instructional time.

Any assignments missed due to absence will be give the number of days equal to those missed in order to turn in missing work. However, if an absence becomes unexcused, any work for that day will become a zero.

Technology

You are expected to bring your iPad to class fully charged **EVERYDAY!** We will be using them for a variety of apps, online research, and class activities including, but not limited to eBackpack, Duolingo, Quizlet, your online textbook, Adobe Voice, and Book Creator.

I also recommend that you bring headphones or ear buds to class daily. Many of our activities include listening sections.

Contact Information

I can be reached via email at sboden@efsd.net or by calling (412) 896- 2349. If I am in class you will be forwarded to my voicemail. I will return your call as soon as I am available.

I will also be using Remind to send text messages about upcoming deadlines and test dates. You will be given specific information as to how to sign up during the first few days of class. Parents are also encouraged to subscribe.
