Ainsley H. 4th Grade-A.R. Millionaire:
"I like reading because I can relax while enjoying a book. When I read, I am usually by myself. When I'm around other people, it's hard to concentrate. Reading also helps me learn larger words. It expands my learning. My favorite genre is fiction because fiction is more entertaining and interesting."

Ziara P. 3rd Grade
"My favorite books are *Dork Diaries*, *Whatever After*, *Baby Mouse*, *Dog Man* and *Critter Club*. I love reading because it is fun and makes you smart. I read more than 40 chapter books at home and in school. My favorite place to read is going on my bed and lean[ing] on my pillows."

You could be featured in next month's newsletter.

Forms can be picked up in the Library.

Poem of the Month

*Valentines of pink and red
Special words of kindness said
Small surprises, funny jokes,
Paper hearts and pretty notes*

*The best part of this
Valentine's Day
Is that I get the chance to say
Today and for the whole year
too,
I love having friends like you!

Roses are Red

Roses are red,
Violets are blue,
Sugar is sweet,
And so are you!

Can you guess? Which character said this?

"My special lip gloss would make each and every girl look as beautiful on the OUTSIDE as she is in the INSIDE."

Turn in your guess for a treat in the library!

Olivia D. 5th Grade-A.R. Millionaire:

"What I like about reading is that when I read, I block out all noises. What I also like is when I am in a comfy spot and reading. I like ghost, mystery, crime, and R.L. Stine books. My favorite author is Mary Downing Hahn."

Adelyne M. 3rd Grade

"I love to read. It is so much fun and it is relaxing and I do it when I'm bored. Reading is just amazing. I mostly read *Dork Diaries*. They are such good books. I read a whole bunch of them. I also love to read because books are so interesting and adventurous. They also sometimes have mysteries."

Annika H. 3rd Grade

"I love reading because it is fun to read new books. I like when the book is a big book. And last, when I don't know what will happen. Reading is the best!!!!"

Evan M. 4th Grade

"Reading is a very fun thing to do. I personally love to read because reading can open a new world. You can almost feel like you're in the book. Reading can be anything you can imagine. Reading will take you places."

Saige E. 4th Grade

Allison M. 3rd Grade

"I like reading and books because it is peaceful, relaxing, awesome and one of my hobbies!! I love, love, LOVE reading and Mrs. S.! I thank her for letting us read so much! I also thank my teacher and family for sending me to this amazing, fun, awesome, cool school! Love, Allison M."

Aaron D. 4th Grade

"I like to read because it can sometimes be challenging and can also be not that difficult. Another reason is that it is calming to do whenever you are trying to calm down and relax. Another reason is I like non-fiction books. I like to learn true facts. One other thing [about books] is they are exciting, like, in my opinion, Harry Potter is exciting."

Shyanne M. 5th Grade-A.R. Millionaire:

"I really love reading. My favorite part about reading is that you can read for hours and you wouldn't get bored (at least I don't). I love eating Cheetos in the library with my "snack" card. I really also like reading in the library because it's very peaceful and quiet."

Kaylin S. 3rd Grade:

"I love reading because it is so much fun! Reading can let your imagination run wild, while other books can teach you a lot more. I have learned so much by reading and can't wait to learn more."
