

The Night Before School-REMOTE LEARNING EDITION!

Tw'as the night before school and we're going ONLINE!
It's going to be super cool and so fine.
It's something so awesome and something so new,
Your teachers will help you know just what to do.

You'll need to work hard and you will have to focus,
Learning's not magic it's not hocus-pocus.
You'll need your big brain and to look and to listen,
You'll work and have fun til your forehead will glisten!

Log on every day to see teachers and friends,
They all want to see you- the fun never ends!
It'll be kind of different and be kind of weird,
But things will be fine, I promise, no fear.

I'll see you online and we'll talk this week,
I can't wait to see you and can't wait to meet
Some new friends will join us and others may not,
But we'll be together in cool and in hot.
