

## BRINGING VALUABLES TO SCHOOL

We have seen an increase in valuables and toys brought to school. Please do not permit your child to bring toys/valuables to school. These items often cause distractions and issues in the classroom. The district is not responsible for items that are damaged or stolen.

## PINE COVE UPDATE

The annual 5th grade trip to Pine Cove is scheduled for Friday, May 31, 2024. All fifth graders are eligible to attend this trip fully paid for by the elementary school PTOs. Last week, the 5th Grade teachers and Dr. Burns met with the entire fifth grade to review expected behaviors in school. Any student that does not meet behavioral expectations between now and the trip will not be permitted to attend.

## MARCH 7: ALL DISTRICT CHORUS CONCERT
