Please use the QR codes below if you are interested in presenting at Greenock (May 13) or Mount Vernon (May 15) to find additional information and to sign up. Please contact your child's school counselor if you have any questions.

Chicken Update

On Monday, March 18, we will complete a final candling of our 39 chicken eggs to determine which are likely to produce a baby chick. At that time, we will remove those that are not likely to hatch, increase the temperature and humidity on the incubator and lock it down until hatch day. Please use the QR code below to see how you can help.
