

WEEKS OF MARCH 25 AND APRIL 1, 2024

Parent Update

PSSA Testing

PSSA Tests will be administered for students in grades 3-5 beginning on Wednesday, April 24. All students will participate in English Language Arts and Mathematics. Fourth grades students will also sit for the Science exam.

During testing, students are not permitted to have their cell phone, iPad or any other smart device in the testing room. They will be asked to turn in those devices to teachers prior to entering the classroom. We ask that if possible, those items remain at home. The Pennsylvania Department of Education sets strict guidelines for testing procedures. These procedures can be found under the "For Families" tab on the district website.
