Author's Quotes

"Access to books and the encouragement of the habit of reading: these two things are the first and most necessary steps in education and librarians, teachers and parents all over the country know it. It is our children's right and it is also our best hope and their best hope for the future."

—Michael Morpurgo

Poetry of the Month

**Just think, think, think,
Of things you can do,
To make yourself better,
Before the year's through.**

**Resolutions can be tough,
Or simple as can be,
Making resolutions,
Are great for you and me!**

**So what will you promise,
To help yourself my dear?
Through 2024,
Have a Happy New Year!**

So Matilda's strong young mind continued to grow, nurtured by the voices of all those authors who had sent their books out into the world like ships on the sea. These books gave Matilda a hopeful and comforting message: You are not alone.
