

# Parent Update

*Week of November 27, 2023*

## Mount Vernon PBIS Update

The Mount Vernon PBIS team would like to partner with parents to reward students for following the Warrior Way outside of the classroom. This week, parents received a pamphlet describing the Warrior Way. If you see your child practicing these characteristics at home, please take a moment to fill out the Warrior Buck form using the QRcode. Each week, one student will be selected as a winner from the parent referrals.

## Penny Wars Winners

Thank you to everyone that participated in the Penny Wars; especially those parents that volunteered to count and roll all those coins. This year's event raised more than \$2,700 to benefit the fifth-grade class. Congratulations to Mrs. Guzewicz's homeroom for winning!

## No School - Monday, November 27

School is closed Monday, November 27 for the observance of the Thanksgiving Holiday. Classes resume on Tuesday, November 28.
