

CAR RIDER PICK UP PROCEDURES

With an increased number of students being driven to and picked up from school, we have implemented a procedure to make pick up safer and more efficient.

Please read the car pick up procedures page if you intend to pick your child/children up during the school year.

IF you intend to pick your child up, please complete the enclosed **"PICK UP FORM"** and return it to us. You will be given a placard to hang in your car for easy identification at dismissal.

CAR RIDER PICK UP FORM
