Dear Mt. Vernon Parent/Guardian,

The Elizabeth Forward School District has verified that one student at Mt. Vernon Elementary School has tested positive for COVID-19 and was in the building last on Monday, January 4, 2021. The district worked with the Allegheny County Health Department and contact tracing was conducted. **Any person identified as being in close contact by the Allegheny County Health Department has been informed through the contact tracing process.**

We will continue to closely monitor this situation and follow all directions provided by the Allegheny County Health Department. Updates will be provided when any additional information becomes available.

We are committed to keeping your child and our whole school community safe and healthy. We ask you to use the District's Symptom Screening Tool everyday with your child. If your child becomes symptomatic or may have been in close contact with a positive case, your child needs to stay home and please notify the school nurse immediately.

If you have any questions regarding the information in this letter, please contact my office at 412-896-2310.

Thank you,

Dr. Todd E. Keruskin
Superintendent of Schools
