November 10, 2020

Dear Parent/Guardian,

The Elizabeth Forward School District has verified that one additional staff member at William Penn Elementary School has tested positive for COVID-19 over the weekend. The district worked with the Allegheny County Health Department and contact tracing was conducted. Any person identified as being in close contact by the Allegheny County Health Department has been informed through the contact tracing process.

As a result of these developments and our conversations with the Allegheny County Health Department staff, **the district has decided to close William Penn Elementary for one additional day, Tuesday, November 10, 2020.** All William Penn Elementary students will work remotely on these days. **This closure only pertains to William Penn Elementary. All other Elizabeth Forward schools remain open and follow their regular schedule.** We will continue to closely monitor this situation and follow all directions provided by the Allegheny County Health Department. Updates will be provided when any additional information becomes available.

We are committed to keeping your child and our whole school community safe and healthy. We ask you to use the District's Symptom Screening Tool everyday with your child. If your child becomes symptomatic or may have been in close contact with a positive case, your child needs to stay home and please notify the school nurse immediately.

If you have any questions regarding the information in this letter, please contact my office at 412-896-2310.

Thank you,

Dr. Todd E. Keruskin
Superintendent of Schools
