Dear Parents/Guardians:

We want to keep everyone updated with the latest information on our plan for the Coronavirus (COVID -19). Thank you for your understanding as we navigate this ever-changing landscape of the COVID-19.

Because of the late day closure notice on Friday afternoon by Governor Wolf, we have been waiting on additional guidance and clarification from PDE. Our administrative team has been working all weekend as we are continuing to receive new information from the Governor's Office and the Pennsylvania Department of Education.

Effective immediately, there will be no school for the two-week period officially stated by the Governor. As of this notice, students should prepare to return to school on March 30, 2020.

Additionally, Virtual Instructional Days will NOT be utilized until we get additional guidance from the Governor's Office and Pennsylvania Department of Education. We will continue to update you regarding any future changes to this very fluid situation.

Please continue good hygiene practices as the health professionals recommend. We will continue to evaluate information about COVID-19 over the next two (2) weeks and will provide additional information on the website (www.efsd.net), via social media, and through electronic dissemination. Thank you for your patience and understanding during this challenging time.

As additional information becomes available, we will keep you updated.

Respectfully,

Dr. Todd Keruskin
Superintendent
