Dr. Todd E. Keruskin
Superintendent

March 13, 2020

Dear Parents/Guardians:

We want to keep you updated on the most recent developments on the Coronavirus Disease 2019 (COVID-19).

This morning during a 50-minute webinar, the Pennsylvania Secretary of Education, Pedro Rivera, announced that PDE and the Office of the Governor, will work closely with Commonwealth of PA Health agencies and the Federal government to continue to monitor COVID-19 and its impact on students and schools. Governor Wolf and Secretary Rivera did not recommend a statewide closure of schools in the Commonwealth.

In the interest of student, staff and community health/safety, the Elizabeth Forward School District has decided to close all schools beginning Monday, March 16, 2020 through Friday, March 27, 2020. Additional school day closures may be announced as more information becomes available.

The district will utilize Virtual Instructional Days. *Students and staff should not report to school and all practices, activities, and events are canceled.*

Please continue good hygiene practices as the health professionals recommend. We will continue to evaluate information about COVID-19 over the next two (2) weeks and will provide additional information on the website (www.efsd.net), via social media, and through electronic dissemination. Thank you for your patience and understanding during this challenging time.

Respectfully,

Dr. Todd Keruskin
Superintendent
