Dear Parents/Guardians:

We want to keep everyone updated with the latest information on our plan for the Coronavirus (COVID -19). Again, thank you for your understanding as we navigate this ever-changing landscape of the COVID-19.

After additional information was received today from the Governor's Office and the Pennsylvania Department of Education, the Elizabeth Forward School District has decided to implement **Virtual Instructional Days starting tomorrow, Tuesday, March 17, 2020.** We will continue to update you on a daily basis regarding any future changes to this very fluid situation. Our current information from the Pennsylvania Department of Education is that school districts will need to make up any days missed during this closure in the month of June and only days beyond June 30th will be granted relief.

Later today, there will be additional information regarding breakfast and lunch opportunities for students. Parents can use the following [link](#) to order these meals. Please check the district website.

Please continue good hygiene practices as the health professionals recommend. We will continue to evaluate information about COVID-19 and will provide additional information on the website (www.efsd.net), via social media, and through electronic dissemination. Thank you for your patience and understanding during this challenging time.

As additional information becomes available, we will keep you updated.

Sincerely,

Dr. Todd Keruskin
Superintendent of Schools
