Dear Parent/Guardian,

We are committed to keeping your child and our whole school community safe and healthy. We need your help. Each morning, before sending your child to school, we would ask you to complete the following checklist. If your child has any of the below symptoms, we ask that you keep them home and notify the school.

- Temperature 100.4 degrees or higher when taken by mouth;
- Sore throat;
- New uncontrolled cough that causes difficulty breathing (for students with chronic allergic/asthmatic cough, a change in their cough from baseline);
- Diarrhea, vomiting, or abdominal pain;
- New onset severe headache, especially with fever;
- If in the past 14-days, you have been in contact with anyone who has been diagnosed with COVID-19.

If these symptoms are present, it is recommended you contact your child's physician for further guidance.

If you have any questions, please contact us at either 412-896-2338 or 412-896-2356.

Sincerely,

Kim Herbst, CSN
EFSD School Nurse
