

Arrival to School

Students must report to school by the following times to not be marked tardy:

High School: 7:25am
Middle School: 8:09am
Elementary: 9:10am
(Greenock ONLY: 9:00am)

Tardy to School

If late, the student must report to the office upon entering the building and turn in an excuse to explain his/her tardiness to school.

At the secondary level, each student may accumulate four (4) non-medical tardies (parent/guardian written excuse) for the school year. After four (4) non-medical tardies, the student will be required to bring in a medical excuse for each subsequent tardy. Failure to provide a medical excuse will result in the tardy being marked unexcused.

If the tardy to school is marked as unexcused, secondary students (6-12) will receive a zero (0) each period for missed or completed assignments/tests/quizzes due that day.

School-Based Consequences for Unexcused/Unlawful Tardies

At the Secondary Level (6-12)

5-1 day of after-school detention and loss of extra curricular activities for 10 school days.

10 -1 day of ISS and loss of extracurricular activities for 20 school days.

15 -1 day of ISS, magistrate citation, and loss of extracurricular for the remainder of the school year. If the student is a senior, loss of driving privileges for the rest of the school year and exclusion will include all senior activities (e.g., senior barbecue, banquet, and prom).

At the Elementary Level (K-5)

7-1 day of after-school detention and subsequent ASD will be assigned at the building principal's discretion.

15 - A magistrate citation will be issued.

V Early Dismissals

Students will be permitted to leave school early with a parent written **excuse** up to four (4) times a school year. After four (4) parent/guardian written notes, the student must bring in a medical excuse for each subsequent early dismissal. If a medical excuse is not received upon their return to school, they will be marked unexcused/unlawful. Any missed assignments will result in a zero (0) grade.

Excessive Absences

If a student accumulates twenty-five (25) or more days of absences (excused or unexcused) within a school year. They will be excluded from any upcoming extracurricular activities (e.g., prom, dances, senior activities, field trips). In cases of serious accident or injury, a panel, including district administration, will review situations on a case-by-case basis.

School-Based Consequences for Unexcused/Unlawful Absences

At the Secondary Level (6-12)

Upon the second and subsequent unexcused/unlawful absence(s), any assignments submitted will be marked with a zero (0).

At the Secondary and Elementary Levels (K-12)

Upon the fourth unlawful/unexcused absence, a school-family conference meeting will be scheduled to create a School Attendance Improvement Plan (SAIP) to ensure regular school attendance.

Magistrate Hearings

A magistrate citation will be issued when the student accumulates six (6) unlawful/unexcused absences or fifteen (15) non-medical tardies to school.
