Subject: Title I Compacts

The attached Title I Compact is designed to place a special emphasis on the importance of the roles of students, parents, and teachers in the learning process.

Please take time to review and discuss the compact with your child- especially the student section. Have your child sign and date the student section. Likewise, please sign and date the parent section. There is a second copy of the compact that you may keep as a reference.

Please return the signed copy to the Title I teacher as soon as possible. Working together we will make a positive difference for each one of our students.

Thank you for your cooperation and support.
