

September, 2022

Dear Parents,

We value parent involvement at our schools, and our staff believes that effective and engaging parent involvement is critical for every child's success. This letter is an invitation to serve on the Elizabeth Forward Title I Parent Advisory Committee.

This committee will participate in planning meetings to develop parent programs and activities that will be implemented for the upcoming school year. Your input is valuable as we develop activities, workshops, and events to help all Title I parents be full partners in the education of our children. This input from this meeting will be used to update our School Parent Involvement Policies and School Compacts.

Will you consider volunteering a small portion of your time by becoming a member of the Parent Advisory Committee? Please complete the attached form and return it to your child's Title I teacher.
