New Business

The district is preparing to bid for new roofs for maintenance buildings. (Nike site and former bus depot) Discussion on letter from Governor Wolf that indicates guidelines for opioid prescriptions for work related injuries.

PA is allocating funds for district security. The Board approved to terminate contract with Volenta Security and to place armed retired police officers to be in each building.

Meeting dates were tentatively set for the 2018-19 year. Committee to vote on calendar at the September meeting.

Accident Review

Committee reviewed an incident where maintenance worker was struck in head by elbow joint on pipe that blew off while being repaired. There was discussion on the use of hard hats or protective head gear and safety goggles while working underneath the floors where the pipes run. Employee did not miss any work but did need to have image taken of injury to be sure of no fracture.

Building Inspection

No inspection for month of July

Old Business

HS pool repairs begin August 1.

New emergency backup generator installed at HS.

Hayes Design Group completed district survey and will provide information to the Board.

Safety Concerns from other buildings

Exterior doorway numbering should be checked each year.

MS water main is still seeping in front of building. MS had no water for 2 days due to line break.

Rich suggested that buildings update "wayfinder" indicators in building hallways to simplify directions to various locations.

Next Meeting

August 20, 2018- MS auditorium.

Adjourn

It was moved by Mary Perry and seconded by Kathy Kern to adjourn the meeting at 12:20 pm.
