New Business

Alice Drills were conducted at MS and HS in October.

Accident Review

Custodian was splashed by liquid cleaner while changing garbage bags. Eyes were flushed by school nurse several times and no other medical attention was needed. Container had a lid on it but some of the solution had spilled onto bag.

Building Inspection

Mary Carole presented a checklist for Central Elementary. Report on file. Some items are: Adjusting the camera angles for better viewing. Bathroom in Nurses office needs work. Toilet leaks and old tile. Several rooms have peeling paint and damaged ceiling tiles from leaking. Room 213 has a cable box hanging from the wall. The PSI in kitchen sink is too high.

Safety Concerns from other buildings

Mt Vernon steep walkway to playground gets covered in pine needles and becomes slippery. Make sweeping part of routine maintenance. Parked mower is an attraction to students playing. Can be parked somewhere else. Tinker lab floor strips coming loose. Greenock and Mt Vernon both need new mulch. Discussion on door swipes at Greenock. HS ramp to parking lot has loose gravel on it. Classroom keys for sub teachers-Principal to make a plan for this. MS only one exit for wheel chair on second floor.

Old Business

Outdoor speakers at Wm Penn ordered. Terminix called for wasps in MS locker room but they are still there. Terminix came for mice in HS classroom. Eye wash station in shop to be updated with saline solution. Upstairs locker room door on order.
