Attention Parents and Guardians:

Please review this memo regarding the prerequisites needed for possible induction into the Elizabeth Forward High School Chapter of the National Honor Society. Candidates eligible for the selection process:

- Must be members of the sophomore, junior, or senior class.
- To be eligible for selection to membership in this chapter, the candidate must have been enrolled for a period equivalent to one semester at Elizabeth Forward High School.
- Candidates eligible for election to the chapter shall have a minimum cumulative grade point average of 3.5 on a 4.0 scale based on end-of-year final grades from courses taken while enrolled as a student at Elizabeth Forward High School.
- Upon meeting the grade level, enrollment, and GPA standards, candidates shall then be considered based on their service, leadership, and character.
- Demonstrate excellent character in daily interactions with peers, teachers, administrators, and community members. Disciplinary action against a student could hinder eligibility for NHS induction.

If eligible, your child will receive written notification which includes an induction packet with detailed information on applying. Completed packets are then reviewed by an anonymous faculty council. The general faculty will be given the opportunity to provide input on student selection based on the four pillars. If selected for membership, your child will receive an invitation to the induction ceremony to be held during the fall.
